IT'S NOT A BOX!

WHEN IS A BOX NOT A BOX? WHEN IT'S IN THE HANDS OF A CHILD!

Communication and talk in the context of play are foundations of learning. Michael Jones and Judith Twani deliver an inspiring and practical training day exploring the potential of cardboard boxes to develop playful learning and communication. Everyone will make something to take home, as well as collaborate with others on exciting group projects.

Michael has a background in Speech and Language Therapy and teaching, and led the Every Child a Talker project in three Local Authorities. He is an experienced trainer and has written extensively about communication. Judith started teaching in Key Stage 2 but eventually found her "home" in Early Years. She has taught across the age groups both in the UK and in South Africa and is now an Early Years consultant and trainer.

The 'It's Not a Box!' day can be adapted to a conference environment.
